

Paper Mill Playhouse TUITION ASSISTANCE PROGRAM

The Tuition Assistance Program (TAP) exists to provide training scholarships to Conservatory students who demonstrate financial need. In an effort to offer fairly distributed tuition assistance dollars, Paper Mill Playhouse offers financial aid scholarships via an application process.

Scholarships range from 25%, 50%, 75% or 90% of the advertised cost of the program.

All TAP recipients are responsible for a co-payment which is the percentage difference. With the approval of the Director of Education, that remaining balance may be paid in interest free monthly installments.

**This co-pay may be waived in cases of extreme demonstrated need or with the approval of the Director of Education.*

The sliding scale is determined according to the HUD guidelines for income limits in the State of New Jersey. Income guidelines are based on the national median income for the United States for FY 2021.

All applicants must complete the Financial Aid application form completely and provide requested supporting documents.

All tuition assistance scholarships are awarded on the condition that the class or program applicants are seeking will actually run, having met the minimum quota for full-paying participants.
