Signature Cocktails 14

Millburn Manhattan

Our Maple and Cocoa inspired take is truly an original inspired by the history of the original Scott's who founded Millburn in 1857. Like many classic cocktails, the history of the Manhattan Cocktail is a heady brew of facts and fiction, legend and lore – ours is refreshing and mysterious.

Blood Orange Old Fashioned

Our take on the iconic Old-Fashioned Cocktail makes for a truly sophisticated drink. We've blended tangy Italian blood orange with smooth Bulleit Bourbon whisky and bitters to create a wonderfully balanced and boozy beverage - kick of acidity that will make the drink delightfully light for a hot day.
